Although the opportunities to meet face to face this year have sadly been curtailed by COVID-19, at advanced business events - abe we have remained committed to keeping conversations going and networks growing.

advanced business events provides the opportunity to participate in the authentic Automotive Meetings Queretaro experience online, including all the event features.

4 KEY FEATURES

- 1 Online B2B meetings scheduled through our smart tool, connect with the contacts of your choice, (the B2B meetings will run via Webex application)
- 2 An impressive conference program, both live and in replay, will complete the digital experience
- 3 Strengthen your networks (through a live chat and a direct message system)
- 4 Digitally walk the floor, set up your 100% customizable booth and share your business card

“ Our successful digital event formula is an excellent tool to e-meet the contacts of your choice through pre-planned meetings, organized via a unique online platform. In addition, you can also network through a live chat and a direct message system. ”
